LEAD UNDO, HOLIDAY DEATHS BY THE ASSOCIATED PRESS

Accident fatalities made the Thanksgiving holiday a tragic time in many American homes. The traffic toll reached 137 as the extended weekend's second day wore on. Fires took 22 lives since Thanksgiving eve. Other types of accidents left 34 dead. The total reached 193.

Traffic was not notably heavy, but mingled perilously the hurrying and the unhurried, the impatient and the inattentive. Some crashes took several lives at once. This was true, also, of fires.

Four traffic crashes claimed 12 lives, three in each. Eight persons perished in two fires, including four early today in a home in Pittsburgh's Homewood section. The other four victims were children who lost their lives in a fire in Canastota, N. Y.

Generally fair weather in most of the country Thursday lured millions to the highways. But the National Safety Council said traffic on Thanksgiving Day normally is not as heavy as on other major holidays.

The council did not make an estimate of traffic deaths for the holiday or for the 104-hour period which started at 6 p. m. (local time) Wednesday and ends at midnight Sunday.

But the toll appeared running close to the figure taken by The Associated Press in a survey for a non-holiday period, extending over 102 hours from 6 p. m. Wednesday Nov. 9 until midnight Sunday Nov. 13. The count was 477 traffic deaths, 60 deaths in fires and 144 killed in miscellaneous accidents, for total of 681.

In last year's four-day Thanksgiving holiday weekend, the AP count was 445 traffic fatalities, 70 dead in fires and 135 killed in miscellaneous accidents, a total of 650. The 1958 holiday traffic toll was 454; fires claimed 54 lives and 118 died in miscellaneous mishaps. The over-all total was 626.

Mother of 10 Weds 16 Year Old Youth

SAN DIEGO, Calif. (AP)—A mother of 10 is jailed here on suspicion of contributing to the delinquency of a minor—the 16-year-old boy she said she married out of "love."

Said Susan Elizabeth Young, 45, now expecting her 11th child, "I'm glad it's out in the open."

When she was arrested Wednesday, Robert Buchanan, the youth, burst into tears. "He didn't want anything to happen to her," said Sheriff's Detective Robert Majors.

Majors said the charge was based on the woman's having led Buchanan "into an illicit relationship," not because of the marriage. The ceremony was a proxy rite performed Oct. 28 in Tijuana, Mexico.

Majors said the teen-ager had been visiting Mrs. Young evenings, then returning to his parents' home for the night. He informed his mother of the marriage Wednesday and she called authorities.

Mrs. Young had two previous ex-husbands, said Majors, and had been living on a \$279 welfare allotment for needy children. She said she hoped to marry Buchanan in California when "this is all over, if they'll let me."

Eight of Mrs. Young's children by her previous marriages live at home.

The oldest is 25, and the youngest, 5. Mrs. Young said she and Robert fell in love in June when he came to her home to visit her son, Robert Jr.

Now Time to Order Pine Seedlings

Pine seedlings for planting this fall and winter should be ordered now, County Agent Calvin Caldwell reminds farmers.

An application form may be picked up at the county agent's office. It is in the form of a postal card and self-addressed to the nearest district forester of the Arkansas Forestry Commission.

Seedlings ordered under the Soil Bank Program should be planted by Dec. 31, 1960.

The price of shortleaf and loblolly pine is four dollars per thousand plus 15 cents for delivery to the county seat. Approximately 800 to 1,000 seedlings are needed to plant an acre.

In Hempstead it is usually best to plant seedlings during November and December. Planting instructions can be obtained from the county agent's office.

There are thousands of acres of land in Arkansas which should be devoted to timber production. Where natural reproduction will not take place within a reasonable length of time, some form of reforestation is needed.

Conifers, such as pine, will grow generally where hardwood will not — on south slopes, in sandy areas, cut over and burned over woodlands or on shallow dense or cloddy soil, he said.

Thinks U. S. Attitude to Be Same

NEW YORK (AP) — Cuban President Osvaldo Dorticos says he does not expect Washington's hostility toward the Castro regime to change when John F. Kennedy takes over the presidency.

"We are not optimistic about the United States," Dorticos told New York Times correspondent Max Frankel. "And we have no choice."

Frankel, who interviewed Dorticos in Havana, wrote that "since the Cubans consider themselves largely blameless in the dispute they have decided against taking the initiative to improve relations."

Cuba has not yet found a market for the three million tons of sugar formerly sold to the United States.

Dorticos said the Castro government would be pleased to conduct "bilateral negotiations" to reopen the market.

He acknowledged that his job, like that of every officeholder in Cuba, depended entirely upon the will of Prime Minister Fidel Castro.

Dorticos said Cuba's switch of trade to the Communist bloc was a reaction to "aggressive actions" of the United States.

Popular Vote for Kennedy Is 213,502

WASHINGTON (AP) — Democrat John F. Kennedy's popular vote margin in the Nov. 8 election remained at 213,502 today as Illinois Republican leaders considered carrying a ballot controversy to court.

Latest totals were Kennedy 34,019,770 and Vice President Richard M. Nixon 33,806,468 with more than 800 of the nation's 166,064 precincts still to report.

Kennedy's electoral vote count held at 300-31 more than the total needed for election.

In Illinois, which has 27 electoral votes Cook County (Chicago) Republican Chairman Francis X. Connell said his party will file petitions seeking a recount of paper ballots in many heavily Democratic precincts.

Connell said Thursday "we feel there will be enough evidence uncovered to file a suit for recount."

The Chicago Election Board on Wednesday declared its canvass to be complete. But Republicans promptly asked a further investigation of alleged vote frauds and charged the canvass proclamation was issued illegally.

According to canvasses, Kennedy carried Illinois by 8,220 votes.

Small communities bore the brunt of it. Weather Bureau forecasters said only minor flooding is to be expected along the major rivers. Along the tributaries it was another matter.

Several points reported more than four inches of rain in 24 hours, and the already sodden community of Valselt in the coast range measured 0.41 inches, making a total of 32 inches there in the past two weeks.

The streams could not handle it.

Mill Creek came bursting into the town of Turner, nine miles south of the state capital of Salem. First it spread boards from a lumber yard throughout the town of 1,000. Before midnight the entire town was under water, which was waist deep in some streets. There were no evacuations there.

U.S. 101, the coast highway, was cut in a half-dozen places by slides, most of them in the stretch between Florence and Newport.

A 300-foot-long slide buried U.S. 22 under 12 feet of mud, rocks and trees about 35 miles south-east of Salem.

Warm winds from the Pacific Ocean brought the heavy rains, but later the weather turned cold. A chill rain continued along the coast and in the Willamette Valley, but snow began falling in the Cascade and Coast ranges.

Rains Bring Heavy Floods to Oregon

PORTLAND, Ore. (AP)—Flood waters poured from ankle to waist deep through scores of western Oregon communities today. Heavy rains put one entire town of 1,000 persons under water.

U.S. 101 along the coast, U.S. 22 across the Cascade Range and many secondary routes were blocked by rampaging streams and slides touched off by a Thanksgiving Day downpour that continued today. It was, however, slackening off in some areas.

Most residents sat it out as the water swirled into stores and homes, but an estimated 50 families were evacuated in scattered areas. No casualties were reported.

Hope's Bobcats in a blazing finish of the final half defeated the Nashville Scorpions 13 to 0 yesterday. It was the final game of the year for both teams. The Bobcats finished next to last in district play and did not place a man on the all-district offensive, however. Guard Phillip Gilliam and Back Joe Duke made the all-district defensive unit.

Cost of Living Continues to Hit New Peaks

WASHINGTON (AP) — Living costs rose four-tenths of one percent in October to hit another peak.

Nearly half the increase was attributed to higher food prices but practically every element of consumer expenditures advanced.

The government index rose to 127.3 per cent of the 1917-49 average. This is 1.4 per cent higher than a year ago.

The October increase was the largest since last April. The index increased in eight of the first 10 months of 1960.

The new cost increase will bring a pay boost of two cents an hour to approximately a million workers in auto and farm equipment manufacturing.

About 80,000 other workers in the farm equipment industry and in several small aircraft firms are due a one-cent hourly increase.

Under labor contracts, the pay rates of these workers are adjusted to changes in the government index.

The question of whether nearly 600,000 workers in the iron and steel industry are due a living cost adjustment based on the October index is being submitted to arbitration. The matter is in dispute between the steel industry and the United Steelworkers Union.

Food prices, which usually decline in October, went up instead by six-tenths of one percent.

This combined with higher prices for new cars, higher rents and other housing costs, and increased prices for women's and girls' apparel to send the October price level to the record. Medical care costs were also up.

Her Marriage Excites Students

LANCASTER, Pa. (AP)—Demonstration can be so exciting that Mrs. Kathleen Kennedy, a kindergarten teacher, had perfect attendance by her pupils Thursday at her marriage to Donald G. Kerr in Emmanuel Lutheran church.

The bride explained that she had tried to tell her 35 pupils about her wedding plans, but they hadn't understood.

So she decided to show them. As the day approached, she said, they became a lot more excited about the wedding than she did.

Red Summit Meet May End in Harmony

By PRESTON GROVER

MOSCOW (AP)—The worldwide Communist summit conference, in secret session here since Nov. 9, may be near its end.

Reports at a Soviet-Finnish reception Thursday night said the conference has reached its main decisions in the argument between Red China and Soviet camp over Communist tactics.

These reports suggested that the talks might wind up tonight.

Reports filtering through to outsiders have indicated the conference has been dominated by determined bargaining and long speeches over Soviet Premier Khrushchev's line that communism is now so strong it can win the world through patient, peaceful competition with Western capitalism.

The Red Chinese, voicing a much harder line, contend that war is inevitable as long as capitalism exists, and that communism would come out victorious from the ashes of a nuclear war.

Pravda declared Wednesday that peaceful co-existence is still the valid and controlling factor of Soviet policy. This was taken by some observers to mean that the Chinese views have been submerged at least to the extent that the split can be glossed over in a proclamation of Communist unity.

Officially, the Communists have never admitted that a summit meeting has been going on. But apparently another big session was held Thursday. Long lines of limousines carried the foreign delegates to and from the Kremlin.

The Soviet-Finnish reception highlighted a visit here by Finnish President Urho Kekkonen who won an important concession—a 50-year lease on the Saimaa Canal. Never before has the Soviet Union given a lease within its territory.

The 3-mile-long canal connects a rich Finnish timber region with the Baltic. The Finns had to resort to expensive overland routes for their timber exports when the Soviet border was pushed beyond the canal and the port of Viipuri (now called Vyborg) near the end of World War II.

The Finns also won Moscow's acquiescence to their association with the European Free Trade Area. The trade block of seven Western European nations aims at lower and relatively uniform tariffs among its members. The Soviets insisted on keeping their most favored nation treatment in trade with Finland, however.

Son Is Born to President Elect Kennedy

By STANLEY MEISLER

WASHINGTON (AP)—A 6-pound 3-ounce son with a shock of black hair was born today to President elect and Mrs. John F. Kennedy. Radio flashed the news dramatically to the father as he was speeding from Florida to his wife's bedside.

The word changed the grim look on the president-elect's face to a happy smile. All he knew earlier was that his wife Jacqueline, 31, had been rushed by ambulance to a Washington hospital and was undergoing a cesarean section.

Dr. John A. Walsh, the attending physician, said: "Both mother and son are doing beautifully." The baby was delivered at 12:22 a. m. Eastern Standard Time.

Gladys Uhl, who has served as secretary for Mrs. Kennedy, described the Kennedy boy: "He's adorable. He's giggling. He has a shock of black hair."

Kennedy, soon after returning to Washington, was driven to the Georgetown Medical Center.

He beamed happily as he looked at his son through a heavy glass window. The baby lay in an incubator in the premature baby room. He'll be there a day or two—normal procedure for a cesarean case.

After watching his son, Kennedy spent eight or nine minutes with his wife and then left the hospital. He planned to get some sleep at his Georgetown home and return to the hospital by noon.

As he left, he told newsmen the boy would be named John Fitzgerald Kennedy Jr.

The baby is the first son for the president-elect and his wife. Their daughter, Caroline, will be 3 on Sunday.

When Kennedy arrived at his home, she told newsmen he had found his wife awake and had talked with her. "She is fine," he said. Asked about his son, Kennedy said, "He is fine, too."

Skin Donated to Girl, She Is Doing Fine

SAN ANTONIO, Tex. (AP)—Peggy Heller, the badly burned little girl to whom three Army sergeants gave skin grafts, is holding her own but "we are watching her closely," a spokesman at the Army's Brooke General Hospital said today.

The three sergeants — M. Sgt. William M. Goodloe, 45, of Earlington, Ky.; Sgt. I. C. Earl, 26, of Bieler, 26, of Machias, Maine; and Sgt. I. C. Harold S. Orr, of Milo, Maine—are recovering from the operation. They watched football games on television Thursday and had a Thanksgiving dinner of turkey with all the trimmings.

Peggy, 4, is the daughter of Maj. and Mrs. Harry N. Roller of El Paso, Tex. She was flown here after a fire at her home Nov. 16 which scalded 51 per cent of her body and burned off her hair. Her parents said she may have been playing with matches.

In a two-hour operation Wednesday doctors took 128 square inches of skin from a thigh of each of the sergeants and grafted it to the burned parts of the girl's body.

Doctors hoped the skin grafts will protect Peggy from infection until her body is strong enough to replace the damaged flesh. They said the skin grafts were her only chance for survival.

Judge Receives Traffic Ticket

NEW ORLEANS (AP)—U.S. Dist. Judge J. Skelly Wright received a traffic ticket Thanksgiving Day on charges of cutting into a lane improperly and hitting another vehicle.

Police said the right rear of Wright's automobile struck the front of a New Orleans city bus. Wright is the judge who ordered New Orleans public school integration.

Violence Is Prevented in Montgomery

MONTGOMERY, Ala. (AP)—Montgomery was relaxing today after threats of Thanksgiving Day race violence failed to materialize at a Negro college football game.

Officers arrested five white men, who later were released on bond, as groups of white persons were kept moving at Thursday's game between Tuskegee Institute and Alabama State College.

Though signs were posted the city Thursday morning urging "10,000 white people" to appear at the game, nowhere near that figure showed up at Crumpton Bowl.

City and county officers kept white persons moving and broke up white gatherings near the stadium, making it difficult to estimate the size of the crowd outside the bowl.

The arrests were made near a restaurant in the vicinity of the publicly owned bowl, where Tuskegee defeated Alabama State 12-8.

The approximately 8,000 Negro spectators left the game without incident.

Give Turkey to Firemen

BELLEVILLE, N.J. (AP)—Ross Fulmore was so grateful to the 60 firemen who spent three hours extinguishing a blaze at his home that he gave them his Thanksgiving turkey.

Then Fulmore, his wife, and eight relatives went to a restaurant for their own meal.

The fire broke out as the Fulmores were sitting down for dinner.

DOROTHY DIX
 Is It Normal to Hate Your Mother?

By HELEN WORDEN ERSKINE

Dear Helen:
 Is it normal to hate your mother?

When I was very young, I had to stay home and keep house. My mother was committed to a mental institution. She came out in a few years and went back. Now she's been out many years.

I am married and have two wonderful children. My husband hates my relatives and is always quarreling with me over them. If not for that, we would be very happy. I like my father.

When I was only 10, I saw them bring my mother home drunk. That's when the hate began. My mother is one-quarter Indian. What would that make me? I want to believe I'm white. Is that right or not — A?

Dear A: It is not normal to hate your mother — without justification. You may feel you are justified. But is hate ever justified?

Not wanting to see, or be with your mother is understandable. If she has been a mental case, all the more reason for showing compassion, doubly so because you owe your very being to her.

If she is one-quarter Indian, that makes you one-eighth Indian. Now or be ashamed of your heritage.

Dear Helen:
 My Mother died three years ago. Since then I've been solving my problems myself but this one has really got me slumped.

Last year I met a 16-year-old boy. Three months later he gave me his ring. I know you object to going steady but — I liked him so much.

Five months later we broke up. Now I would advise teenagers not to go steady. I was so heartbroken I even considered suicide. All we seemed to do was fight. I thought he was going out on me. It was his idea we break up.

I knew moping around the house wouldn't bring him back so I tried dating other boys. That made me realize how much I wanted him. He has been coming over occasionally, but is going steady with another girl. He is moody, flies off the handle, and though we necked and petted (slightly), thinks I don't like him. Please help me and don't say, "Forget him." It doesn't

Dear Helen:
 I have two boys, age six and 10. I am proud of them but it seems like I've had to do all the teaching regarding cooperation, manners and discipline. My husband has never said, "Mind your mother," or "Helen Mother with this or that."

He lets them play at someone else's home all day and doesn't mind if our yard is full of boys, never once reprimanding other boys for destructiveness in our yard. When I discuss the problem he says "You started it. I'll stay

Dear Frustrated Mother: Unless you and your husband see eye-to-eye on the rearing of your children, their character will suffer. In a situation like this, youngsters are quick to take advantage of conflicting parental orders.

See this for what it is: a difference of opinion between you and your husband in which the children are the victims. Try for their sakes to meet each other half-way. You may be over-strict, he too lenient. Strike a happy medium.

Send your problem to Helen

Congratulated
 WASHINGTON (AP) — President Eisenhower today congratulated President-elect John F. Kennedy on his becoming the father of a son.

The White House said Eisenhower sent a personal message of congratulations from himself and Mrs. Eisenhower.

The text was not made public. Press secretary James C. Hogg only said the President dispatched the message after reaching his office this morning and hearing the news of the birth of the Kennedy son.

Germany to Draft Merchant Seamen

The federation, numbering 14 European countries and the United States, completed its annual meeting Thursday. The United States joined only this year.

In a final resolution, the federation agreed that Bourbon should have the same legal protection that most member countries now give the Scotch of Scotland and the Cognac of France.

West Germany's arrival at the speaking of the 50th anniversary of the Naval Academy at Kiel, said the seamen will be trained in NATO communication, convoy techniques and other tasks. He did not say how long they will have to serve.

Ruge said all German units are under direct command of North Atlantic Treaty Organization authorities. Germany's navy now consists of 160 ships, 70

Bobcats Score 13-0 Win Over Scrappers

By Vince Foster Hope Star Sports Writer

T-E-A-M-W-O-R-K spelled victory for the Hope Bobcats yesterday, as they blasted past the Nashville Scrappers 13-0. Two fourth quarter drives of 59 and 54 yards enabled the Cats to show their great power in the final game of the year.

Nashville took the opening kickoff and soon drove to the Hope 37 yard line, where they passed incomplete thanks to Portierfield who was covering a receiver. A long Scrapper punt, which bounced out on the Bobcat one foot line, enabled Nashville to keep the Bobcats in their own territory for the remainder of the first period.

Early in the second quarter, the Bobcats came very near to a TD. The Cat QB passed to the end, who quickly pitched out to FB Ward, who was in the clear. Ward couldn't hold onto it and Nashville recovered the fumble. Later in that quarter, QB Jimmy Lloyd intercepted a Scrapper aerial, which set up a Bobcat drive to the Nashville 1 yard line. With 10 seconds left in the first half, an fourth down and two yards yards for the score, Hope sent Ward off tackle but the Scrappers lightened and would allow no hole. They took over as the buzzer sounded.

During half-time the Bobcat and Scrapper hands performed. The third quarter was dominated by a steady exchange of the ball on punts. In the fourth period the Cats took the ball on their own 41 after a punt by Nashville and by the 23 yard scamper by Ward and big gains by Duke and Herndon, the Cats moved down to the Nashville 2 yard line, where FB Joe Matt Herndon plunged over for paydirt. Duke's conversion was true and the Cats led 7-0.

Later in the same period Nashville rolled to the mid-field stripe where the Scrapper QB passed right into the arms of Bobcat Lloyd on the Hope 46. That Bobcat drive, climaxing a 40 yard run by Herndon to the Nashville 2, covered 53 yards in 5 plays. Lloyd went over on a quarterback sneak. Duke's kick for the PAT was blocked but with only a minute left in the game, 13 points were too many for the Scrappers.

Everyone will admit that the Bobcats and their coaches really deserve this win for all of their hard work and some of their near wins this season. Fans can show their appreciation by attending the Bobcat banquet at 7 p.m. on Nov. 30 at the Barlow Hotel.

Lions Score Win Over the Packers Associated Press Sports Writer

DETROIT (AP) - A Detroit Lions fan full of the holiday spirit grabbed Coach George Wilson by the lapels and spoke in authoritative tones: "Your offense was clicking and you had those other guys defended perfectly. What more can a guy ask, huh?"

Wilson's reply was: "Three more victories just like this one." The Detroit coach was grateful for his team's 23-10 victory Thursday that just about knocked the Green Bay Packers out of title consideration in the National Football League's Western Division. Two fumbles and a blocked punt led to all but one score in the nationally televised contest.

Wilson called it his team's finest game of the year. It brought the Lions' record to 4-5. "We haven't rushed a passer like that in a long, long time," said Wilson. "And that's the biggest thing in football. If you can get to the other club's passer, and protect your own, you can win."

Detroit linemen threw quarterbacks Earl Starn and Lamar McLean for 60 yards in losses. Detroit's Jim Ninowski, appearing before 54,123 fans, tossed for 182 yards with 19 completions out of 34 tries.

For the Packers, it was a bitter and frustrating loss to a team they had beaten 28-9 earlier in the season. Los Angeles draws a bye Sunday, but the other clubs will be in action. The schedule finds Cleveland at St. Louis, Dallas at Chicago, New York at Philadelphia, San Francisco at Baltimore and Washington at Pittsburgh.

Texas Defeats A&M, Receives Bid to Bowl

BY JACK CLARY Associated Press Sports Writer

Texas' abrupt turnaround from a so-so outfit in midseason to one that took its last four games has shared a berth for the Longhorns in Houston's second annual Bluebonnet Bowl. But not even this, or Mississippi's do-or-die struggle Saturday to gain the national title has taken the luster off one of the toughest Army-Navy games to come down the pike in a long time.

The two service schools meet in Philadelphia Stadium Saturday afternoon as the highlight of the final big day of the 1960 college football season. Mississippi's game against Mississippi State could raise a few brows, at least when the final Associated Press poll is released next week. That is the one that determines the national champion, and Ole Miss, third this week, is going to try to impress the selectors who have Minnesota, co-champ of the Big Ten and Rose Bowl-bound, presently No. 1.

Texas did a bit of impressing Thursday: The Longhorns, 3-3 in mid-October, won their fourth straight, 21-14 over Texas A&M, to help change Coach Darrell Royal's mind about forging any post season play. Their opponent in the Bluebonnet still is unnamed but Alabama (6-1-1) reportedly has the inside track. "Bama meets eighth-ranked Auburn Saturday."

Elsewhere on Thursday, Penn made Cornell Coach Lefty James' swan-song a sad one, beating the Big Red 18-7 while Virginia Tech surprised Southern Conference champion Virginia Military 13-12.

In another Southern Conference game, Richmond easily handled William & Mary 19-0. Denver quarterback Ramiro Escandon set a host of school records in a 21-12 victory over Colorado State U., while Missouri Valley Conference champion Wichita romped over West Texas State 31-14.

All other top-ranked teams have finished their season, but undefeated and untied New Mexico State (9-0) goes after its 14th straight victory and the Border Conference crown against Texas Western. However a loss, and a win by second place Arizona, will give the latter the title.

Rice (7-2) plays Gator Bowl-bound Baylor (7-2), aiming for a victory that would give the Owls a tie for the Southwest Conference title and most likely send them to the Sugar Bowl. Arkansas has already nailed down at least a share of the SWC crown and is in the Cotton Bowl.

Florida (7-2), which Thursday night voted to accept a Gator Bowl bid but which also, by SEC rules, can't officially say "yes" until its season ends, plays Miami (6-2). The Gators are being a bit flexible, and will accept an Orange Bowl bid instead if one comes their way.

Tennessee (5-2) bowl conscious, plays Vanderbilt (3-6) while Georgia Tech (5-4) also mentioned for post season play, goes against Georgia (5-4). Notre Dame (1-8) and Southern California (4-5) wind up poor seasons in Los Angeles with their traditional battle. Holy Cross (5-4) and Boston College (3-5-1) do likewise in Boston.

Wants West to Review China Policy OTTAWA (AP) Prime Minister John G. Diefenbaker urges that the West make a "realistic review" of its policies toward Red China and recognize the importance of bringing that country into any major political settlement.

"So vast and almost numberless a people cannot be ignored," Diefenbaker, said in a speech on Canada's foreign policy before the Canadian Club of Ottawa Thursday night.

The United States has been a leader in the fight to keep Red China out of the United Nations. Washington has never officially recognized the Peiping government.

The Canadian prime minister said a policy review is mandatory because of "the frightening shadow of fear" that Peiping's aggressive declarations have cast over all mankind.

Hope Closes Season With 13-0 Victory Over Nashville

— Hope Star photos, with 14-inch Schneider lens from press box

TOP — TOUCHDOWN! BOBCAT FULLBACK JOE MATT Herndon (arrow) plunges two yards for touchdown that broke up a scoreless ball game. As the score-board shows, less than two minutes had run in the fourth quarter. Nashville's Scrappers had Hope backed up in its own end of the field most of the first half. The teams battled evenly in the third quarter — and in the fourth the locals wrapped it up with two touchdowns. A capacity crowd filled Nashville's stadium until the final gun.

SECOND FROM TOP — FORD WARD HOPE HALFBACK, picked up nine yards in a dash from the Hope 45 to Nashville's 46, in the second quarter.

THIRD FROM TOP — BOBCAT HALFBACK LARRY Arnett Made one of the flashiest gains of the afternoon when he raced 23 yards from his own 25 to the 48, in the third quarter.

BOTTOM — NASHVILLE'S FAMED SCRAPPERETTES PERFORMED for the last time this season, conducting a pre-game show at 2 o'clock.

"I know," Gene answered. "And she got away with it, because she naturally the logical suspect always is the husband or wife in these cases. But just supposing that Jason didn't kill Antonio, that he did handle the gun at Janet's."

Navy Given Slight Edge Over Army

BY JACK HAND

PHILADELPHIA (AP)—Explosive Joe Bellino makes one-beat-on Navy a slight favorite over Army Saturday at Philadelphia Stadium in their first meeting before 98,816 fans.

Bellino, a senior halfback from Winchester, Mass., whose 104 points make him the second highest scorer in the nation's major college ranks, is the key to Navy's well-balanced offense. Only Duke, which held Bellino scoreless by forcing him inside, has been able to shoot down the high-flying Middies who rank No. 7 in the Associated Press poll.

Army's attack has been made up of Tom Blanda's passes and the crashes of Al Rushatz, a 190-pound fullback, through the line. The Cadets have a 6-2-1 record, losing to Penn State and Nebraska, and tying Pittsburgh. Their fine performance in upsetting Syracuse 9-6 and the statistical edge they held despite their tie with Pitt has drawn solid support to Coach Dale Hall's Cadets.

There will be full pomp and ceremony at the vast concrete stadium which will house its usual sellout crowd. The Cadets and Middies will stage customary parades before the game with kickoff scheduled for 1:30 p. m. and national network (ABC) television coverage.

If Navy wins, it may go to enter the Cotton Bowl in Dallas where it would meet Arkansas or to the Orange Bowl in Miami where Missouri would be the opponent.

Bellino, the man who set a Navy record by scoring three touchdowns against Army in last year's 43-12 rout, probably is the most publicized football player in the nation. His 17 touchdowns and spectacular runs make him a marked man. Only Duke kept Bellino from scoring while the Middies were rolling up an 8-1 record.

Quarterback Hal Spooner's passes to halfback John Prichard, end Jim Luper or Bellino balance Bellino's running threat.

Army's Blanda, brother of George Blanda of the pro Houston Oilers of the American Football League, has thrown more often than Spooner (142 to 91) but each quarterback has a completion average of 58 per cent. Spooner has thrown seven TD passes, Blanda eight.

At every encounter, every venture outside, Janet was aware of the attention she attracted — a woman nudging another at the supermarket . . . an overheartiness in the drugist . . .

While she held her head high and tried to pick up the pieces of her life, she realized that they would not all fit together. For one thing, it occurred to her that there would always be people who believed she had given Jason the gun. Did they think she had helped him to plan the murder?

Or perhaps they simply did not want to get close to anyone who had stepped onto so muddy a path. Whatever it was, Janet sensed a certain coolness on the part of some — as though they felt it a breach of good taste to have become socially involved with her.

The first week in December, Mr. Berenson called to say he'd made arrangements for her to see Jason that weekend.

Janet decided to call on Marian; she did not have enough nerve to drive to the prison by herself.

"Marian, I'm going to Sing Sing to see Jason. Will you drive me over?"

"Of course, hon. Do you know where it is?"

"In Ossining."

"I know . . . but isn't it outside the town . . . Where's the entrance?"

"Well . . . I don't know John and I used to go to Ossining to the movies, but—"

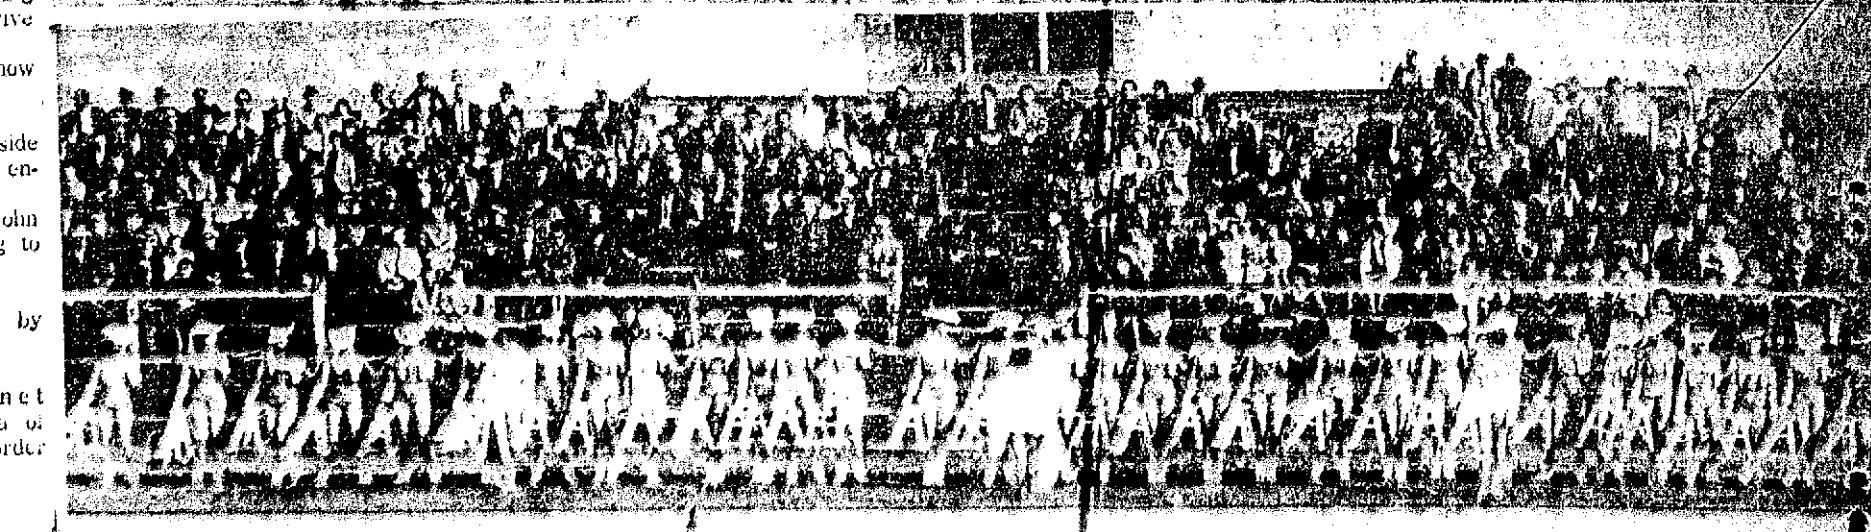

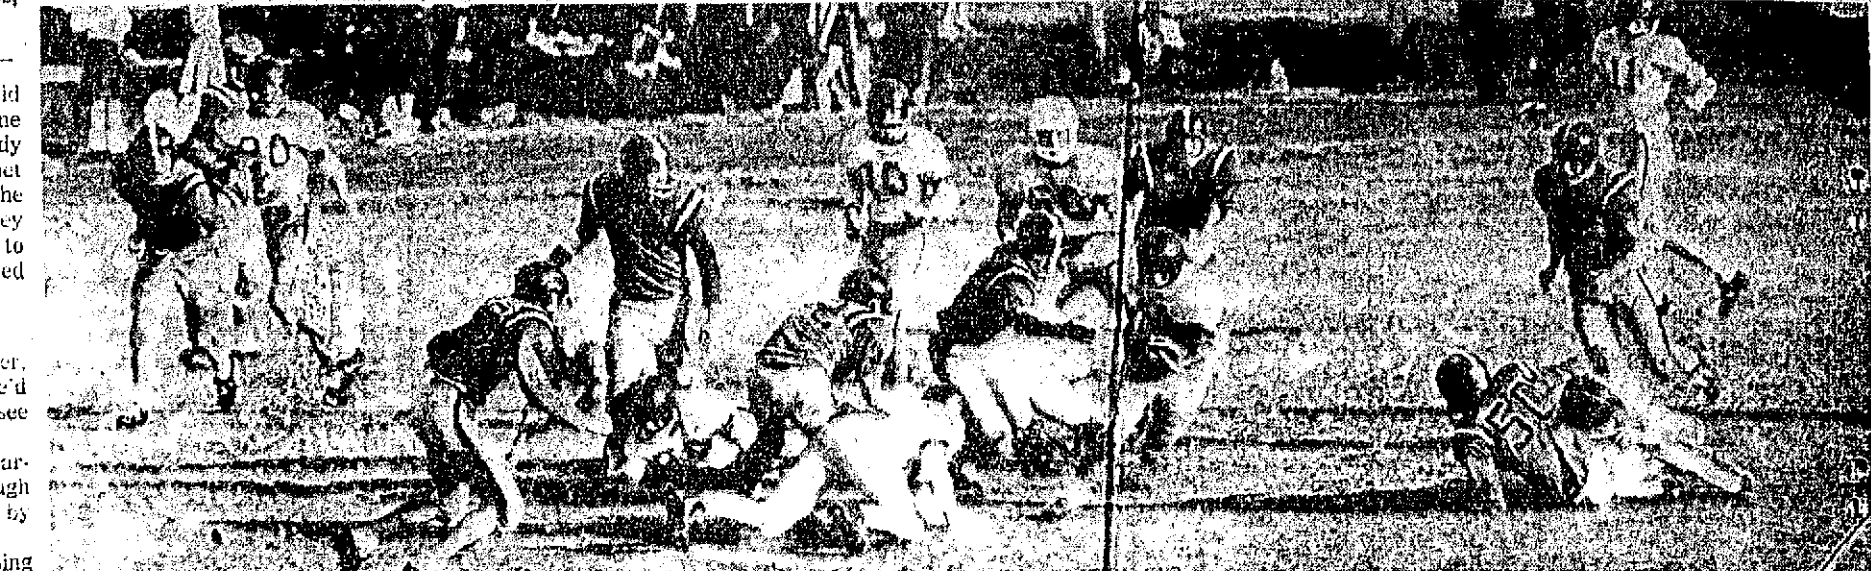

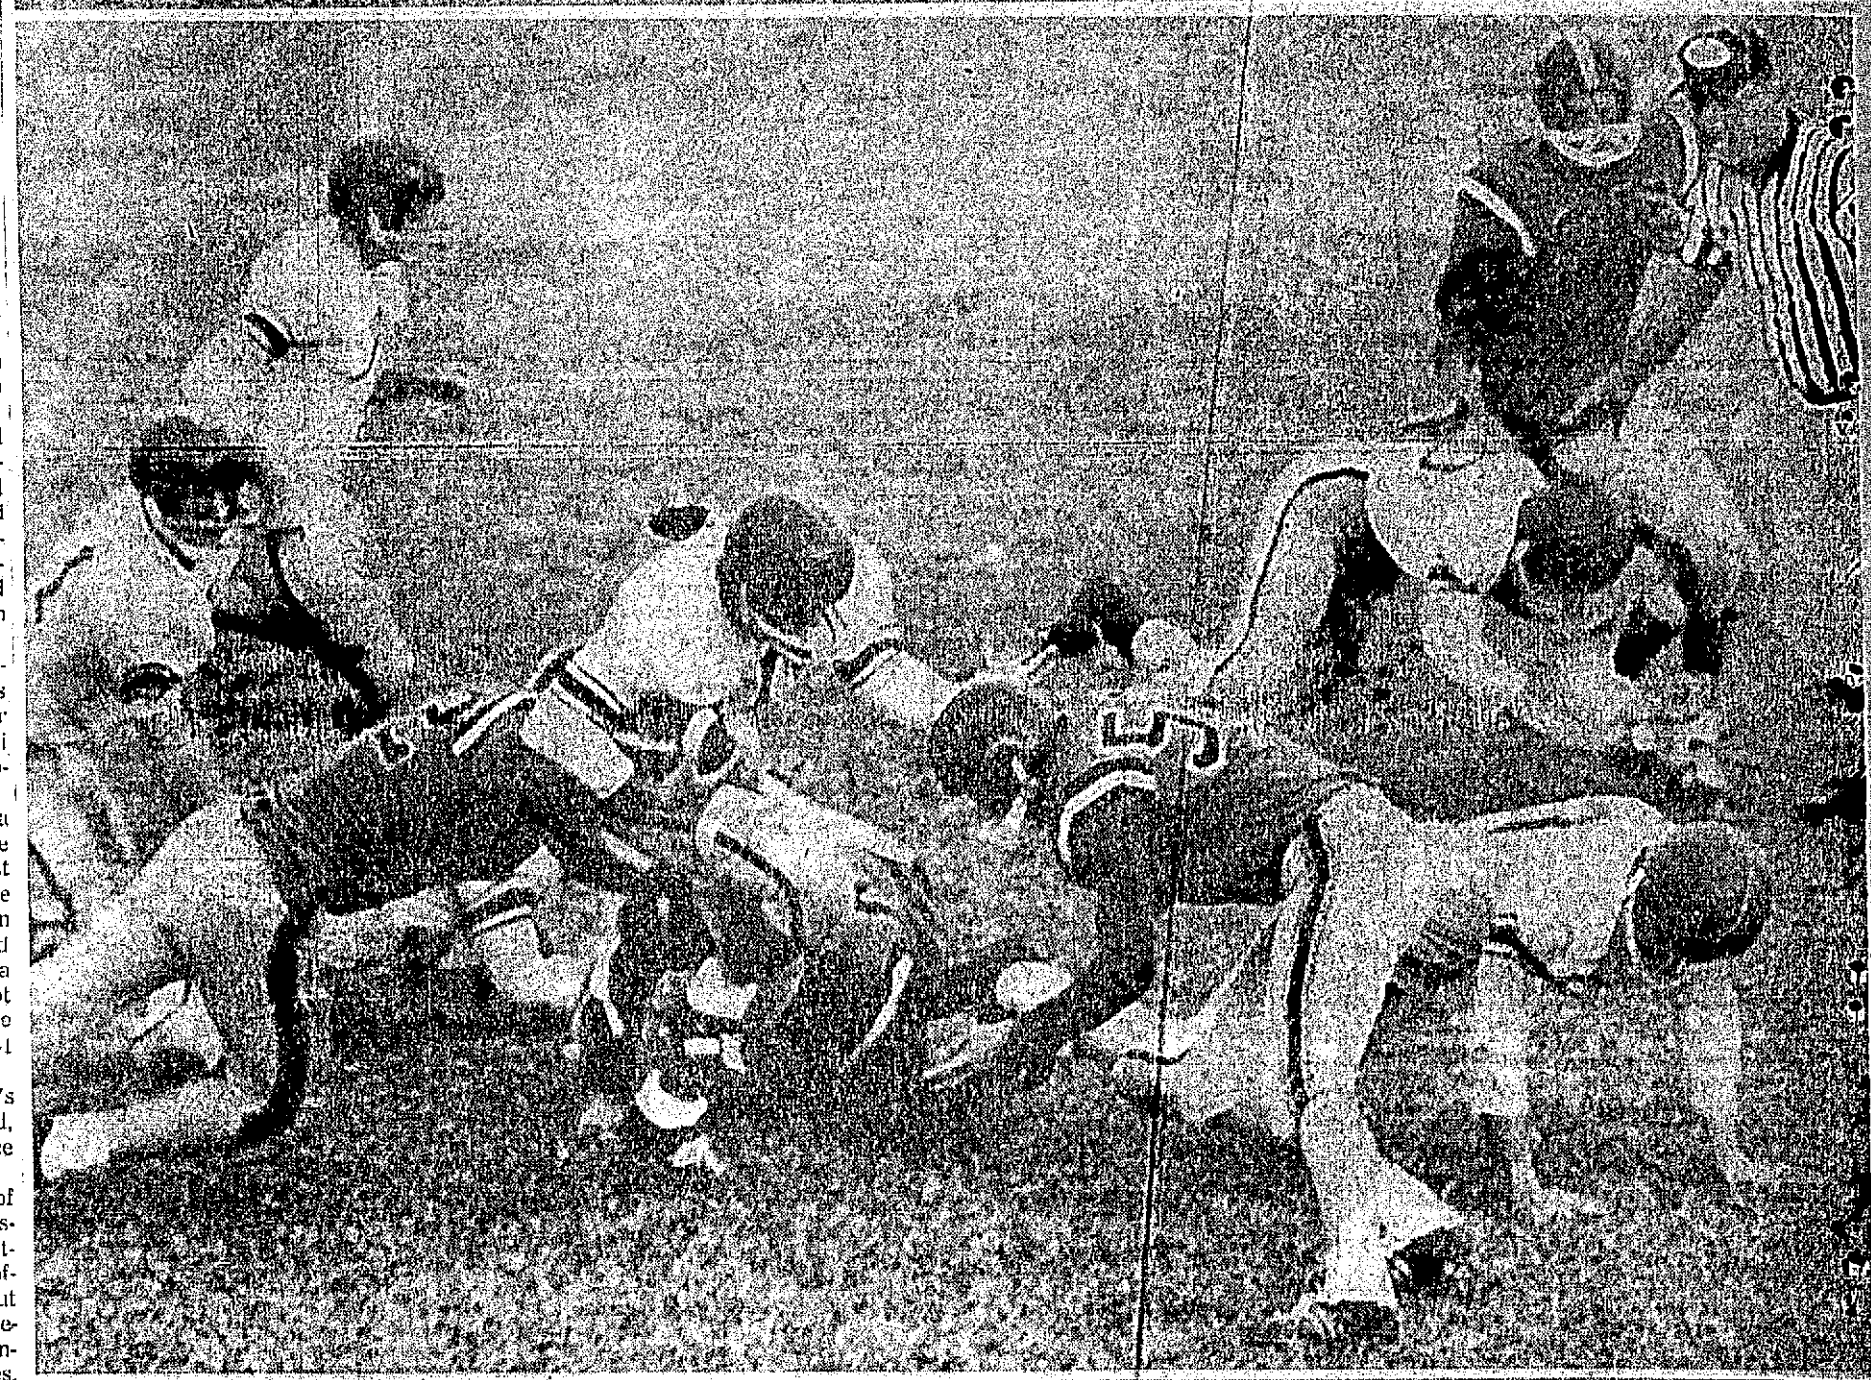

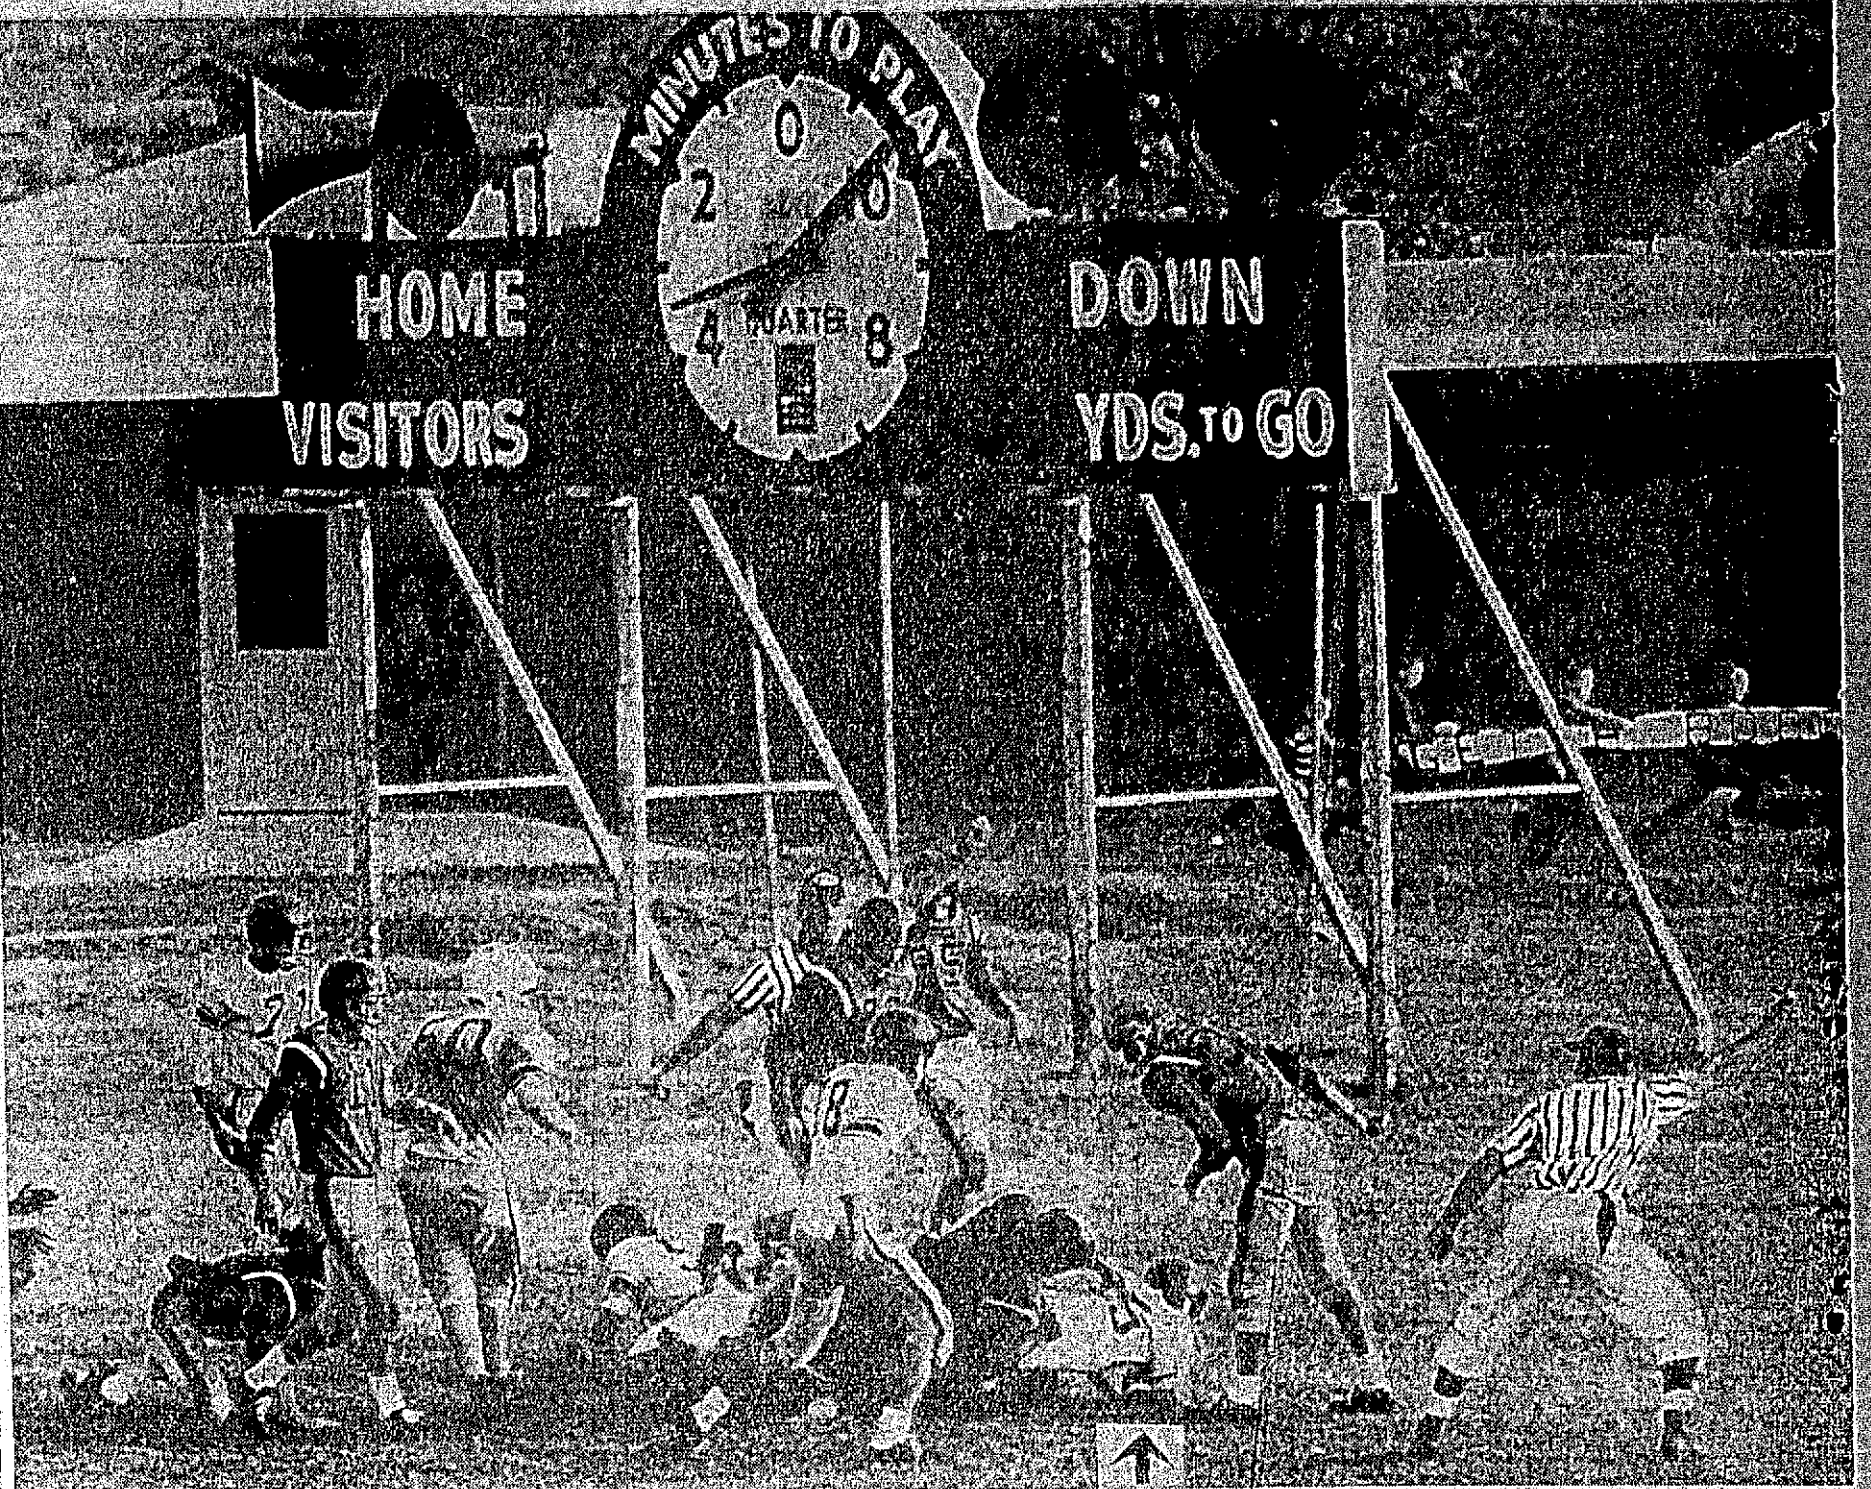

"We'll ask a cop."

"All right. Can you come by around two thirty?"

"Yes. Fine."

Almost hysterically, Janet started to laugh at the idea of having to ask directions in order to pay Jason a visit in jail.
